

The Excellent Choice in Short-Term Rehabilitation and Therapy is Here!

Short-Term Rehab for Maximum Functional Improvement

Riverside Transitional Care is proud to have a **Five-Star Overall rating from CMS***. We provide high-quality care and short-term rehabilitation services in a warm and nurturing environment. Situated along the beautiful Mississippi River, our community provides a home-like atmosphere for peace and serenity. Our short-term rehabilitation programs are tailored for individuals recovering from injuries or planned surgeries. We collaborate with Aegis Therapies® to offer a wide range of rehabilitation services seven days a week, including physical, occupational, speech and restorative therapies. Our multidisciplinary approach involves creating individual, person-centered treatment plans that combine specialized therapies, pain management, strength and balance training, mobility training and other techniques to help restore function and independence.

Functional Improvement

Data collection period 7/1/22 - 9/30/23

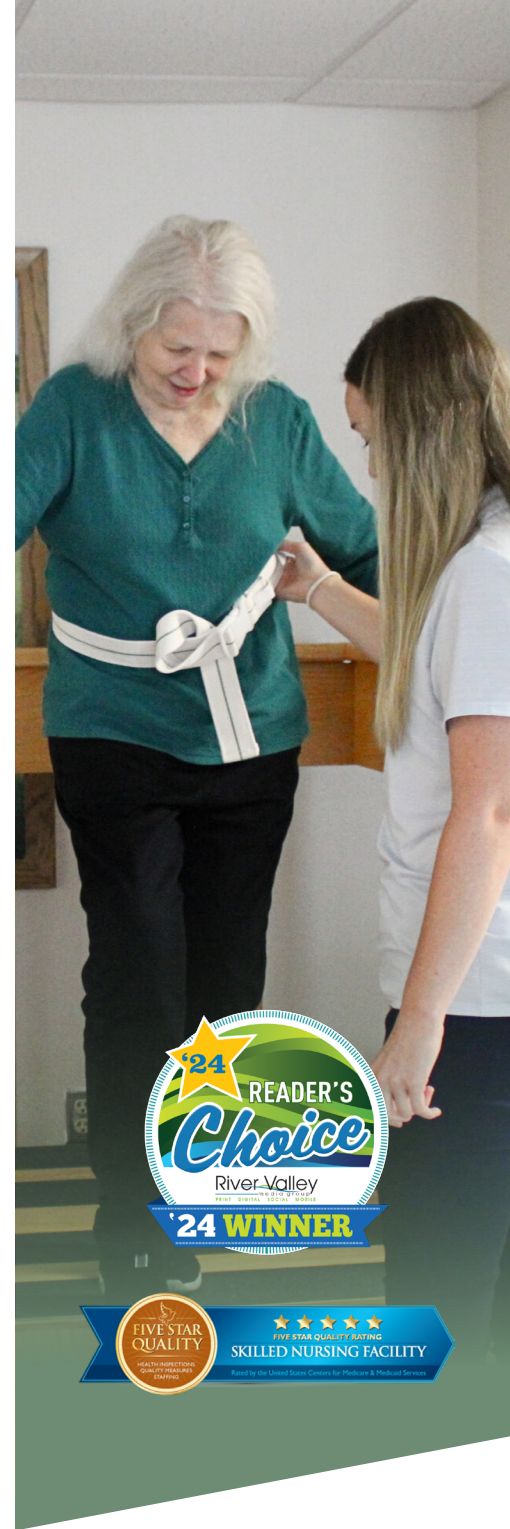

Experience the top-notch care and support that promotes your safe return home. To refer a patient or learn more, contact:
