## Find Comfort and Purpose

Choosing Eagle Crest South Memory Care means choosing a full, vibrant life. A life with activities, events, excursions, and all the preferences you would choose for your loved one. Our specially trained and licensed caregivers take time to learn the history of each individual to foster a nurturing relationship of love and support. Caring for your loved one starts with caring about your loved one.

- Our caregivers are trained to use creative interventions and promote a sense of independence
- Family involvement allows opportunities for fellowship and education
- Activity-focused programming is tailored to a resident's abilities, preferences and interests, creating opportunities for meaningful interactions
- An enclosed courtyard promises fresh air, short walks and the natural beauty of the outdoors
- Fresh, delicious meals and snacks served in the family dining room
- Housekeeping and laundry services
- Medication management, assistance with a whirlpool bath and ongoing reassurance and comfort care
- Pastoral care services and ecumenical worship weekly
- A security system that allows maximum freedom of mobility

*Eagle Crest Communities was a pioneer in creating an environment specific to the needs of a person with dementia. In 1990, our "Hearten House" model was introduced and quickly gained national attention due to the uniqueness of its design, specially trained staff and therapeutic programs. Eagle Crest continues to be the leading provider of memory care services in Western Wisconsin today.*
