Connections

I hope this letter finds you well and able to enjoy some of the nice summer weather. It has been a blessing as we live through a challenging time.

We realize the sacrifices everyone has made during the pandemic and how difficult it has been from an emotional standpoint. Not a day goes by that we are not working to try and develop systems and processes that will allow residents and their loved ones to reunite. We realize the importance of keeping everyone safe and that will continue to be our primary focus, but we also realize as human beings, there is no substitute for the interaction we all need to remain physically, emotionally and mentally healthy.

We have been working diligently on policies and procedures to allow for more personal visitations and to give our residents the opportunity to once again start using the amenities and engage in the activities that make their lives whole. We are happy to be moving in this direction and our community managers will soon be providing information to guide everyone through the process.

This publication of Connections we are focusing on our Life Enrichment team and everything they do to enhance the lives of those we serve. I am amazed by their creativity and truly humbled by their compassion, your loved ones are cared for like family every day.

Sincerely,

Todd D. Wilson

Activities Within Eagle Crest Communities

Since the start of COVID-19, our life enrichment teams have been forced to become extremely creative when planning activities. We have shifted to small group activities, in-room programming and 1:1 visits. These changes have allowed us to serve our residents in the best and safest way possible.

Virtual Pet Therapy Visits. One of the brightest moments for both staff and residents is to see a wagging tail in the building. Thanks to a wonderful group of volunteers, we have enjoyed virtual pet therapy visits! Even though we can't share a well-deserved treat with our furry, four-legged friends, seeing them has made all the difference!

Hallway Bingo, "Parties" and More. Bingo has been enjoyed in-room or by welcoming residents to their doorway (with masks and social distancing of course) to play this classic favorite. Either way, the competition is fierce and winners revel in their moment! Holidays have been celebrated with some unique "twists" as well including Cinco-De-Mayo hallway parties and Fourth of July happy hours! Carry-outs from local restaurants and grill-outs satisfied our taste buds frequently as did root beer floats and ice cream treats delivered door-to-door on some hot, summer days!

Limited Programs Indoors Means More Activities Outdoors. The weather has been fantastic, allowing frequent bike rides, outdoor walks and active games within our landscaped courtyards. Peaceful, outdoor moments allow time to reflect on the positive aspects of life and our caregivers encourage every resident to step outside, take a deep breath and enjoy the sun!

Visit our Facebook page to enjoy photos of all life enrichment activities enjoyed throughout our senior communities. A huge "thank you" to our wonderful families, residents, staff and virtual volunteers for creating joyful memories during this time.

Tuition Investment Program

I work at Eagle Crest North in Memory Care. Every day I get to work is a day that I look forward to spending with our residents and my fellow coworkers! Currently, I am in my junior year of nursing school at Viterbo University. Having this opportunity to work with Eagle Crest Communities has been such a positive, complimentary experience that allows me to not only start applying what I have been learning in school, but further influences my desire to learn and pursue a career in healthcare.

Having access to the Tuition Investment Program that ECC has to offer has been a wonderful resource. It has lessened the financial burden that comes with school enrollment fees and the long list of text books. I am very thankful for the opportunities presented by Eagle Crest Communities!

The TIP Fund is provided through generous donations of individuals and companies. The money I received through the TIP Fund was enough to cover my textbooks and my first down payment deposit for the Fall and Spring semester of school. I would like to thank the donors of the Tuition Incentive Program because your donations have helped further my education in nursing. ~ Ashley Hoehn

2020 Walk to End Alzheimer's

Eagle Crest Communities is honored to participate in the annual La Crosse area Walk to End Alzheimer's. While working so closely with those in various stages of dementia, including Alzheimer's, it is essential for us to advocate for our residents and do our part to one day find a cure. Our staff see the highs and the lows, the good days and the bad, and most importantly the love and compassion that comes from these amazing community members.

The 2020 Walk to End Alzheimer's will be different than any other year. We will not be able to gather as a large group, but instead will be walking in our own neighborhoods for those we care for, cherish and love. Caring doesn't stop with COVID. *The cure for Alzheimer's is still out there, and we at Eagle Crest Communities will do everything we can to help find it.*

What to do next: please go online to www.alz.org and register with Team Eagle Crest Communities! Then, on Saturday September 19th put on your purple, grab your family and go for a walk! Be sure to take lots of pictures and share them with us! If you are interested in donating to the Alzheimer's Association or have questions regarding the walk, please contact our team captain, Hannah Wieser at 608.791.2733 or hwieser@eaglecrestlife.org.
