### **Connections**

Improving the quality of life for our residents is a top priority at Eagle Crest Communities. Even with the challenges surrounding the Covid-19 pandemic we continue to update our facilities and look for ways to improve the quality of life for those we serve.

During this past year, we did major remodeling at Hearten House III in Holmen, and we are just finishing up remodeling at Hearten House I and II in La Crosse.

On the agenda for 2022 will be a major remodeling at Cass Street Assisted Living along with improvements to the parking lot. We also

As we enter the holiday season, I ask that you consider a donation to Bethany Lutheran Homes/Eagle Crest Communities. As a non-profit organization, donations are essential to help with facility improvements and new projects. A donation to Bethany Lutheran Homes/Eagle Crest Communities is a great investment in the community.

Have a wonderful Holiday Season,

### Welcome Pastor Linda

### Greetings! I am your new Chaplain/Campus Pastor, and what a gift I have been given!

I was most recently serving a congregation and long term healthcare facility in Houston, Minnesota. I am very excited and grateful to be serving Eagle Crest Communities. I am led by Matthew 5:14-16 (MSG), "You're here to be light, bringing out the God-colors in the world. God is not a secret to be kept." As a born and raised city girl, my husband and I purchased a farm four years ago to experience country rural living. Caring for dogs, cats,

rabbit, mini donkeys, chickens, goats, cows and 70 acres of God's

creation, I am easily distracted by farm life.

As a Chaplain, I will attend to the sacred stories of those confronting change in their lives. God is the source of all wholeness and comes near in the delightful, grateful, broken and despairing parts of life, even seeking them out. My intention is to help people move to a different phase of life with their faith and spiritual practices intact.

Clearly, in long-term care, there is the advantage of more time to spend with residents. This ultimately allows for deeper, more personal pastoral relationships between the chaplain, staff, resident and family members. There are many spiritual and emotional issues for those experiencing, serving and living in long-term care. The good news, though, is that the chaplain can journey with those involved as they process these emotions and feelings. In this setting, I will have the opportunity to get to know residents well – their interests, hobbies, life work, values and beliefs. I can encourage residents to reflect on their lives and redefine meaning and purpose for their future living in a long-term care community.

My time with residents, families, and staff may include offering prayer, ritual, and/or sacraments; reading Scripture; participating in song; processing (e.g., helping others ask questions and address fears) and/or reframing a personal journey; accompanying a person during end-of-life care; or simply listening to what the resident has to say. When appropriate, I may also provide referrals or reconnect the resident to the faith community of his or her choice.

Perhaps the most important act of healing a chaplain can perform is speaking God's promise that you are known and loved by the God who made you, the one who accompanies your joy and sorrow with the promise of life after death. My hope is that the residents, family and staff will be strengthened by the love of this community.

In Christ's Love,

Pastor Linda McPeak

# Why Choose Eagle Crest Communities?

There is no doubt that this past year and a half has been taxing. On our residents, on our staff and on our community. Our commitment from our staff has been incredible during this time, and Eagle Crest Communities has chosen to properly thank our staff by committing to over \$800,000 in wage increases! We truly feel that our staff deserve the best, and are beyond excited to announce this increase.

Beyond the pay, why choose to work at Eagle Crest Communities? Working at one of our communities is more than just working a 9-5. It's getting to know our residents in an intimate setting. It's finding that work-life balance we are all striving towards. It's advancing into new opportunities you never knew were possible. We have incredible benefits, such as our 401K employer match program, our tuition reimbursement program, and our \$500 employee referral program. But what's more? We have a passionate team ready to help you learn and grow in your career.

Join our team, and apply online at www.eaglecrestlife.org/careers.

**Miranda Rushlow:** Promoting her internal growth from an intern in Rec Therapy and then returning as Assistant Director of Rec Therapy, then to Director of Rec Therapy and Volunteer Coordinator

After graduating from UW- La Crosse, I started at Riverside in 2017 as a Recreation Therapy Assistant. I then happily came back in the fall of 2020 as the Assistant Director of Recreation Therapy. A few months later, I was promoted to Director of Recreation Therapy and Volunteer Coordinator!

I was so excited to see a position open at Riverside as it was so hard to leave three years ago. I loved everything about working at Riverside, my coworkers, the fantastic recreation department, but most importantly the residents. I was ecstatic for the opportunity to come back home to the La Crosse area to provide recreation therapy services to those within my hometown community.

It is hard to put into words the love I have for my profession and my position at Riverside. My favorite aspect of my job is building strong relationships with all of the residents and their families. Getting to know residents on a personal level allows me to strive

in my profession as I can personalize and create new programs in which they will not only enjoy, but that also provide opportunities to increase their social, emotional, physical, spiritual, and cognitive well-being. When it comes down to it, putting smiles on the faces of those I work with makes every day worthwhile.
