# A Message From Our CEO

In December, we hosted our 11th annual Friends of Eagle Crest Communities Holiday Social. Many people turned out for this wonderful event held every year to recognize those who make financial donations, served on our board of directors and help support our mission. Our Chef and his team prepared a wonderful assortment of food and dessert that was enjoyed by all. We thank the many people who have made a contribution to our success over the years. We could not do what we do without you.

It's hard to believe 2019 is gone already, what a busy year it was! Last year at this time they were just starting to put the roof on our Eagle Crest South expansion and this year we are busy preparing to welcome our first new residents.

We plan to have the first independent living residents start moving in the first week in February, so our marketing team is working with everyone that has made a reservation to secure a move-in date. This is an exciting time as many new people will join our Eagle Crest Community in La Crosse. We plan to have a welcoming committee in place to help our new residents adapt to their new home at Eagle Crest.

Later this spring, we will be hosting an open house open to the general public. When we have a date available for the grand opening, we will be sure to let everyone know.

Wishing everyone a wonderful 2020!

Sincerely,

Todd D. Wilson  
*Chief Executive Officer*  
Eagle Crest Communities

Eagle Crest is an expert when it comes to senior living. While our communities are beautiful, you'll find the professional staff and caregivers inside are what makes Eagle Crest Communities inviting, inspiring and healing.

## Tuition Investment Program

My name is Jenna and like many college students, I struggle to pay college tuition. Scholarships that I have received have allowed me to further my education. One key scholarship that I received this year was the Tuition Incentive Program Fund (TIP) through Eagle Crest Communities.

Last summer when I was looking for employment, I wanted to work for an employer that had a TIP Fund that I could receive to help pay for school. Well, I found one. The TIP Fund was one of the reasons why I first applied to Eagle Crest South. The TIP Fund is an important part of Eagle Crest Communities recruitment and retention program for individuals looking for college tuition assistance.

The TIP Fund is provided through generous donations of individuals and companies. The money I received through the TIP Fund was enough to cover my textbooks and my first down payment deposit for the 2018 Fall semester and 2019 Spring semester of school. I would like to thank the donors of the Tuition Incentive Program because your donations have helped further my education in nursing.
